

## **We Are Going Green With Paperless Communications!**

St. Mary's of the Purification is always looking for ways to make our communication more convenient. With that in mind, we are offering you paperless Parent Memos and notifications. Not only is this a fast and convenient way to receive your communication, it also helps us toward our goal of "going green" and being more eco-friendly.

You will be receiving Parent Memos and other communication electronically via email and or text message. If you don't want to receive electronic communication, no worries: Just indicate it below by checking, "You do not want to receive electronic communication." Your communication will continue to be sent by Tuesday folder.

To receive e-mail notifications and or text message, please indicate below by checking, "Yes, I want to receive both email and text notifications."

If you would like to continue receiving your EOBs by mail, please log in to your My Health Toolkit account and update your profile information.
